WASHINGTON AND LEE IS READY FOR GEORGETOWN

Stirring Football Battle Will Be Staged at Broad Street Park This Afternoon.

BOTH ELEEVENS ON EDGE

Individually the Generals are Rated as Very Strong—Squad Reached the City Yesterday—Georgetown Confident and Ready.

Line-Up for To-Day's Game

W. & L.	Position	Georgetown
W. L.	left end	Cusack
Shultz	left tackle	Ward
Scarry	left guard	Mahum
Little	center	Crowe
Dingwall	right guard	Barrow
Miles	right tackle	Gormley
Harrison	right end	Campbell
Donahue	quarter back	Foley
Young	left half back	Golden
Sweetland	right half back	Murray
Gallagher	full back	McGowan
Substitutes—Washington and Lee, Sweetland, Graham, Bagley, Miller, Barrow, Seelye, Gallagher, Bryan, Krusen, Camp and Izard, Georgetown, Paxulla, Corcoran, Cronin, Gessler, McCarthy, Rorden, Conwell, O'Gorman, Calana, Weiser, Landreau, Seelie, Burland and Fitzgerald.		

Richmond football fans will likely witness the best game of the season this afternoon at Broad Street Park, when Washington and Lee lines up against Georgetown at 3 o'clock.

It only remains for the weather man to give a forecast, but it has been predicted ideal for the sport, and from the report sent out last night such was the case.

The game will bring the Generals up against both a strong offense and defense, and will serve to show the caliber of the Lexingtonites.

Washington and Lee started the season with Marshall College, and won the game, but have not been tried out in this contest. It is shown that the Generals had the making of a good football machine. The following contest was with Morris Harvey when the large score was rolled up.

The work of the Lexingtonites was a great improvement over that in the Marshall game, though the defense had little to do.

The game with Roanoke was played without the aid of Coach Elcock, and as a result the team did not show at its best.

So far this season the Generals have been given of tremendous power on the attack, but have not been tried out to any extent on the offensive. As a result, the coaches are unable to decide the question of the best line.

In scrimmages during the past week, Washington and Lee line men showed a decided improvement over the previous week. The teams backs played with the second team, and were unable to make an impression on the line.

Individually the Generals must be rated as very strong. At left end Scarry is considered to be the best in the South. On right either Harrison or Seelye are able to play fast aggressive football, as both are deadly tacklers.

At the tackles are Miles and Shultz, and at the line are the former All South Atlantic star, and Shultz appears to be good. CENTRE OF LINE WELL TAKEN CARE OF

In the centre of the line are Scarry, Dingwall and Pierotti. Pierotti has at present been out of the line, but last year's centre, and is rated by Brickley, of the South, as the best in the South.

Captain Donahue will be seen at quarterback, and is a "bear" in catching punts.

Young, Gallagher and either Sweetland or Buchanan will be seen in the backfield, and are expected to show some of the fastest work seen on the gridiron in many years.

Should the going be soft, Buchanan will be seen in action and Sweetland will adorn the bench.

The Generals arrived in the city yesterday afternoon, and early last night retired, so as to have a good, long rest before the game.

Coach Van Orman is also looking for a battle, and while the coach and trainer will not predict how the contest will turn out, they are confident of a victory for the capital city eleven.

WASHINGTON, D. C., October 16.—Because of wet grounds and the nearness of her coming struggle at Richmond, Georgetown has postponed its game with Washington and Lee until Saturday.

Trainer O'Reilly reports that the team to be in perfect trim and confident of success.

As usual, says little, save that there should be a great fight, and that, if nothing unforeseen happens, the game should be a good account of themselves.

Much is expected by the students, however, of the game, and of the work of the line, Captain Murray will, as usual, be in the line.

Manager O'Boyle will carry along a squad of twenty-six, having one or more substitutes for each position.

MIDDIES PLAY AT PHILADELPHIA

First Time in Many Years Navy Gridiron Squad Has Left Annapolis, Except in Contest With Army. Eleventh in Final Work-Outs.

NEW YORK, October 16.—Eastern football games will be played on water-soaked gridirons to-morrow. It is probable that close formation rushing will be the order of the day.

In the first of the inter-sectional games of the season, are well equipped to play both the old and new style.

Another game of unusual interest will be played at Philadelphia, when the Navy meets the University of Pennsylvania. This is the first time in many years that the Middies have played an annual contest with the Army.

The Army also is scheduled for a try-out game more at West Point to-morrow. In meeting Colgate the cadets are called upon to face one of the best in the smaller college elevens of the East.

Princeton faces a hard test in Lafayette. The leading games to be played on Eastern gridirons to-morrow include:

Notre Dame vs. Yale.
Lafayette vs. Princeton.
Tufts vs. Harvard.
Should the going be soft, Buchanan will be seen in action and Sweetland will adorn the bench.

THREE GAMES IN THE SOUTH WILL BE WATCHED

Experts Interested in Clash at Atlanta, Birmingham and Charlottesville—Vanderbilt-Central Deferred.

LOUISVILLE, KY., October 16.—In the South to-morrow's football games will be watched with unusual interest. They will be played at Atlanta, Birmingham and Charlottesville.

Coach Van Orman announced to-day that the University of Georgia will take place between teams representing the University of Georgia and the University of Alabama at Charlottesville, the University of Virginia will oppose the University of South Carolina, and at Birmingham, the University of Alabama will meet the Georgia Tech squad. Other games include:

Georgetown vs. Washington and Lee, at Richmond.
Tennessee vs. Auburn, at Auburn.
Florida vs. King College, at Jacksonville.
Kentucky State vs. Mississippi & M., at Lexington.

The game which was to have been played to-morrow at Nashville between Vanderbilt University and Central of Kentucky has been postponed until Tuesday on account of muddy grounds.

FOOTBALL SCHEDULE IN CENTRAL STATES

CHICAGO, October 16.—Saturday's football schedule of the Central States includes the following games:
At Chicago—Cora vs. Chicago.
At Urbana—Ohio State vs. Illinois.
At Madison—Purdue vs. Wisconsin.
At Bloomington—Northwestern vs. Indiana.
At Minneapolis—South Dakota vs. Minnesota.
At Lansing—Michigan vs. Michigan Aggies.

Michigan, in the chief battle for Western football honors against the East, is likely to meet its severest test, so far this season, playing the Michigan Aggies, who last year triumphed over Wolverines as well as Wisconsin.

They Did Not Meet Last Year.
Sporting Editor, The Times-Dispatch: "Sir—Will you kindly publish in your paper whether the Virginia Military Academy played football in 1913, if so, at what place. Thanking you for this information, I am,

HIS DEVOTION SHRINKS

[Special to The Times-Dispatch.]
NEW YORK, October 16.—George W. Perkins's devotion to the Progressive cause, measured in terms of dollars and cents, appears to have shrunk to just about a thousandth of its former intensity. At any rate, the man who gave \$200,000 to the Bull Moose campaign, has just separated himself from \$225 as a campaign contribution for the Republican Bull Moose fusion ticket in the Bronx. The contribution came in the form of a check to pay for one-third of a box at a meeting next Tuesday night to raise funds for the support of the ticket.

PALMETTOS AND VIRGINIA MEET AT CHARLOTTESVILLE

Little Trouble Expected With South Carolina Squad—Vanderbilt's Coach to Witness Game.

V. M. I. PLAYS GALLAUDET

Cadets Look for Hard Contest—Richmond Spiders Tackle Hampden-Sidney in Championship Test on Venable Athletic Field.

CHARLOTTESVILLE, VA., October 16.—Virginia meets to-morrow the eleven from the University of South Carolina, which is coached by Costello, the former Georgetown star.

From all accounts, both teams will be minus one or more of their stars. Evans, centre, and White, left end, will probably be missing from the Virginia line.

Judging from Carolina's decisive victory over the Palmetto State team early this week, Virginia should find little trouble in winning by a margin of two or three touchdowns. The heavy rains of the past three days have handicapped the Virginia team considerably, and the practice has amounted to little, being confined mainly to signal drills. Scrimmages were out of the question. Dan McGugin, coach of the Virginia team, and a representative of Georgia's coaching staff, will be on hand to watch the work of the Virginia eleven.

LEXINGTON, VA., October 16.—In anticipation of the game with Gallaudet to-morrow, the Virginia Military Institute team had a long, vigorous signal practice in the gymnasium to-day. This was followed, after a short rest, by an hour's diagraming. Coach Gorton had on account of a scrimmage for this afternoon, which owing to the slippery condition of the field and the steady rainfall, was eliminated. Cammer, Bain, Holdridge and Somers, four of the regular team, who are temporarily out on account of injuries, followed the plays, but did not practice. With the exception of Somers, whose injuries are slight, none of these men will very likely appear in the game.

Yesterday's scrimmage, which took place on a slippery field, was satisfactory to the coaches, and it is believed that with no other scrimmage to their credit, the cadets will acquit themselves creditably when they meet the Gallaudet eleven. This game will probably be the hardest which the V. M. I. team will have on its home grounds this year.

On the first team this afternoon Lewis, S. McCormick, and Harris were in the back field with Nelma, a new man, at quarter. In the line were Goodman, Hild, Bergin, Pitts, J. Murphy, Haffin and Buckner. These men, with the exception of Haffin, will be in the line-up to-morrow.

HAMPDEN-SIDNEY, VA., October 16.—One more day of practice has been completed for Coach Bernier and his charges before the contest with the Richmond Spiders.

This afternoon the squad was out on the campus for a short workout, steadily downpour preventing one of longer duration. In view of the continued rain, Venable Athletic Field has not been used, so that its condition may be as good as possible for to-morrow's fray.

To keep the men limbered up and to develop their wind, the coach has had them in the gymnasium playing basketball.

All of the crimples, including Captain Ebel, are in harness.

The college community and surrounding countryside is all agog over the prospect of seeing a championship game, and enthusiastic mass-meetings have been held to crystallize the spirit of the student body.

It is rumored that the student body of Richmond College will be in attendance, and the rooting of the two colleges will be a feature of this occasion.

A short history of the players, including weight, position, number of years on the team, and preparatory school attended, follows:

Ebel—Weight, 175 pounds; end; third year; McGuire's.

Oliver—Weight, 145 pounds; end; first year; Wortham High.

Shackelford—Weight, 165 pounds; tackle; second year; Martinsville.

Guthrie—Weight, 190 pounds; tackle; fourth year; Potomac Academy.

Thompson—Weight, 165 pounds; guard; first year; Fishburne.

Adams—Weight, 162 pounds; guard; first year; Roanoke High.

FIRST CHAMPIONSHIP GAME FOR YELLOW JACKETS

Play William and Mary at Williamsburg To-Day—Rain Limits Practice to Signal and Blackboard Talks.

ASHLAND, VA., October 16.—Early to-morrow morning the Randolph-Macon football team leaves for Williamsburg, where they will play their first championship game of the season. The team is not in the best shape because several of the men have bruises that have kept them out of the scrimmages this week, and may keep some from starting to-morrow's contest.

The bad weather has kept the team back, as very little of the work that Coach Reles had planned for the week could be carried out. Yesterday he planned to hold a final scrimmage, but the downpour of rain flooded the field, and signal practice had to be held in one corner of the field. After the practice all the men took a jog along the road.

This afternoon was devoted to running down punts and signal practice. The team went through all the plays that will be used to-morrow, and showed plenty of speed, considering the condition of the field. Coach Reles was not entirely satisfied, as he had hoped to have every man in the best shape for the opening of the championship season.

Three evenings a week, from 7:30 to 8 o'clock, are devoted to blackboard talks.

The afternoon's practice is gone over, and each man is shown where he erred. The men are also quizzed on the rules of the game.

The Yellow Jackets line-up to-morrow has not been definitely decided, but will likely be: R. Scott, right end; Bush, right tackle; Meers, right guard; B. Scott, centre; Jones, left guard; Landon, left tackle; Richardson, left end; Shockey, right half back; Robertson, left half back; Hall, full back; Cogbill or Lancaster, quarter back.

FOOTBALL CONTEST OFF: WILL PLAY NEXT WEEK

The scheduled game between the Barton Heights and Church Hill Athletic Club football teams for this afternoon at Chimborazo Park has been called off by Barton Heights and the members of both teams will attend the big Georgetown-Washington and Lee game.

Next Saturday the Church Hill eleven will meet the Richmond Howitzers.

SLOPPY TRACK CAUSE MANY OWNERS TO SCRATCH ENTRIES

Manassah, An Outsider, Wins Handicap Going Away—James Butler's Out-Lined Defeated by Protector.

LAUREL, MD., October 16.—Scratches were numerous to-day at Laurel Park, owing to the sloppy condition of the track. The feature, the handicap fourth on the card, was won by Manassah, the outsider in the betting. The race at no time was even a contest, and steadily increased to a level of several lengths. Thornhill was second and speckled third. Thornhill was a decided choice, but could never catch the winner.

Butler, from the stable of James Butler, failed to keep up the winning pace set by his stablemates, and was defeated by Protector. His defeat, however, was no disgrace, as he was off badly, and was running over horses at the end.

SMALL HOUSE CAUSES BRITTON TO BACK DOWN

NEW YORK, October 16.—Jack Britton looked over the house at the Empire Athletic Club to-night, and not seeing enough dough in sight, became violently ill, immediately. That threw the star bout between Harry Stone and him into the ash can.

The club lived up to its reputation handsomely by giving a free show. The poor public that came out in the rain was uncooled, however, to a slight extent.

NAVY SQUAD LEAVES TO-DAY FOR QUAKER CITY

Thirty-Five Members in Party—Entire Student Body to Give Squad Send-Off.

ARMY IN SORRY FLIGHT

Coaches Will Be Glad if Eleven Gets Through With Clean Slate in Game With Colgate—Olinphant Is Still on Crutches.

ANAPOLIS, MD., October 16.—The game with the University of Pennsylvania, in the eyes of the midshipmen, has taken the place of the Army Navy contest as the most important of the year, and practically the entire student body was on hand to-day to give the team a send-off. The game in Philadelphia to-morrow will be the first in which the navy has participated in away from home, except when West Point was the opponent.

Final practice took place this afternoon, despite the muddy condition of the field. Players and substitutes to the number of thirty-five were in the squad selected by the coaches to meet the Quakers. The Navy team will start to-morrow with the following line-up:

Overesch, left end (captain); De-roode, left tackle; Mills, left guard; Perry, centre; Hicks, right guard; Kennedy, right tackle; Graft, right end; Mitchell, quarter; Blodgett, left half back; Failing, right half; and H. Harrison, full back. The back field is especially strong, averaging 130 pounds.

Army Shot to Pieces.
WEST POINT, N. Y., October 16.—The Army to-night took its last practice in final preparation for the Colgate game to-morrow. The drill light, the coaches fearing to risk the chance of injuries to the men in the charge of getting Olinphant, star half back, still on crutches. Merrill may go in for a few minutes at end at the start, but Kelley, former Exeter captain, will get a thorough tryout in Merrill's position.

Colgate finds the Army team badly shot to pieces, as a result of last week's game with Rutgers and the scrimmaging of this week, and the Army coaches will be glad if the team gets through with a clean slate to-morrow.

A. & M. PREPARING FOR FIVE HARD BATTLES

Trainer Martin Has Filled Players With Enthusiasm—Squad Shows Abundance of "Peep."

HEGARTY COACHING LINESMEN

Bray and Floyd Render Able Assistance—Hospital Inmates at Work Again—To-Day's Game With V. M. C. Canceled.

WEST RALEIGH, N. C., October 16.—For the past two days the Agricultural and Mechanical football squad has been out through some of the stiffest work-outs that they have experienced this year. The two games practice contests, were in a way more practice contests, but from now until the end of the season the Red and White eleven will be matched against teams that will make them put forth every ounce of their strength and skill to win. The schedule for the rest of the season includes games with University of West Virginia, Navy, Georgetown, Virginia Polytechnic Institute and Washington and Lee.

Already the work of Trainer Martin has begun to show results. He has put more "peep" and spirit in the squad than has been in evidence this season. Coach Hegarty, with the assistance of Bray and Floyd, has been hard at work trying to season some of the line material. The ends, tackles and centre were the most likely men for these places are Winston and Young. Both are fast men, and have the weight necessary for the line, but they both lack experience.

There are several other men working hard for these positions, and they should make valuable substitutes. They are Bruner, Rand and Noe. Davis has been putting up a good game at centre, while Captain Plier has been outstanding in the hospital. Tenny, the line-smashing fullback, is out in uniform again for the first time in two weeks. With Tenny back in the line-up the strength of the team is materially increased. Sharpe is back at half back, after being out of the game some time with an injured shoulder.

The team scheduled for to-morrow with the Virginia Medical College has been cancelled on account of the disbandment of the Medical College's team.

EVEN MONEY ON RESULT GEORGIA-CAROLINA GAME

ATLANTA, GA., October 16.—Even money is the betting odds here to-night in advance of the football game between Georgia and North Carolina here to-morrow. The bookies are letting the first time in two weeks.

Advices from both camps speak of injured men who may not start the game, but these are considered just a rumor. Centre Henson, of Georgia, and Quarter Back Bridges, of North Carolina, are the only players who are doubtful to start the game.

Neither team has arrived in the city, and the probable line-ups are not available.
